

THE SUN CITY

LINCOLN HILLS

## COMPUTER CLUB

The **SC Lincoln Hills Computer Club** is a group of enthusiastic users who enjoy working with their Windows computers. It is not necessary to have in-depth knowledge to be a club member. We welcome all levels of experience.

Yearly membership is \$15 per household, a small sum when you consider the amount of expert computer support you will receive. **Before you join, you may attend up to three meetings of your choice.** We have four meetings per month.

- ❖ The **Main General Meeting** is held the second Wednesday, at 6:30 PM at the Kilaga Springs Presentation Hall.
- ❖ The **Computer Clinic Meeting** is held the Friday following the Main General Meeting, at 3:30 PM Kilaga Springs Presentation Hall. The clinic is usually a follow-up to the topic discussed in the Main General Meeting.

- ❖ The **Walk-in Clinic** is held the third Tuesday at 1:00 PM in the Computer Room at the Orchard Creek Lodge. This clinic allows any of our Club members who would like hands-on help in utilizing computer hardware components, the Windows operating systems, or application programs to receive assistance from our more experienced computer members.
- ❖ The **Ask the Tech meeting** is held on the fourth Monday at 10:00 AM at Kilaga Springs Presentation Hall. This session allows you to bring your questions and have them answered by local PC experts.

Your suggestions for meeting topics are always welcome. Just mention your idea to a white-shirted board member at any of the club's meetings.

For more information on past presentations, board meetings, technical help, and how to join the Club, please visit our website [www.sclhcc.org](http://www.sclhcc.org).

The monthly [Compass](#) magazine also contains up-to-date news and information about the Club.
