

SUN CITY **LINCOLN HILLS**

COMPUTER CLUB

The Lincoln Hills Computer Club is a group of enthusiastic users who enjoy working with their Windows XP and Vista computers. It is not necessary to have in-depth knowledge to be a club member. We welcome all levels of experience.

Yearly membership is \$15 per household, a small sum when you consider the amount of expert computer support you will receive.

- **The Main meeting** is the second Wednesday of every month, at 6:30 p.m. at Kilaga Springs Presentation Hall.
- **The Monthly Clinic** is the Friday after the main meeting, every month, at Kilaga Springs Hall at 3:30 p.m.

The clinic is normally a follow-up to the topic discussed in the monthly meeting.

- **The Ask the Tech** meeting is held on the fourth Monday, at 10:00 am. at Kilaga Springs. This session allows you to bring your questions and have them answered by local PC experts.

Your suggestions for meeting topics are always welcome. Just mention your idea to a white-shirted board member at any of the club's meetings.

Go to the club's website at www.sclhcc.org for more information on past presentations, board meetings and technical help. The club is a great resource, whatever your experience level.

Make a check (no cash, please) for \$15 made out to SCLHCC and bring it to any club meeting. If you can't come to meeting, mail the check to:

Lincoln Hills Computer Club
